ISSUE:

Authorization to purchase two replacement vehicles for use by the Operations Division of the Public Works Department.

SYNOPSIS:

This resolution authorizes the purchase of two (2) 2009 Ford F550 trucks from Ken Garff Ford as shown on the attached documentation.

BACKGROUND:

The City has selected Ken Garff Ford as the supplier for two (2) Ford F550 trucks for use by the Operations Division of the Public Works Department. Ken Garff Ford holds the State contract to supply this vehicle make and model.

The vehicles being replaced are vehicles 750802 and 750803, both 2001 Ford F550's that have outlived their useful life and need to be replaced with new vehicles. The Fleet Manager met with the department and it was determined that 2009 Ford F550 trucks would be the most efficient vehicles for their intended purposes.

RECOMMENDATION:

Approve purchase of two (2) 2009 Ford F550 trucks for use by the Operations Division of the Public Works Department.
